

COURSE OUTLINE

BSB50215 - Diploma of Business

1. Aims

The BSB50215 Diploma of Business course is designed to provide students with training to manage the work of others or to add value to or review management practices. At these level managers provide leadership and guidance to others and take responsibility for the effective functioning and performance of the team and its work outcomes

2. Employment Outcomes

Students completing this qualification could undertake varying managerial and/or supervisory roles. Job roles and titles vary across different industry sectors.

3. Overview

The changing workplace has led to the development of a significantly different role for Managers and their teams. There is a move away from the traditional skills of the supervisor controlling, directing and maintaining discipline, to the team leader being responsible for coaching, facilitating and developing team cooperation within a strategic framework.

This qualification provides the core leadership competencies required by contemporary managers. Blending theory with practice, this qualification focuses on workplace learning to ensure its relevance to your particular situation and business.

This qualification is fully competency-based and while knowledge and some aspects of competency are assessed within the realms of each unit, completion of activities demonstrating all areas of competency will need to be undertaken to graduate.

The student will obtain practical experience by undertaking field work at their workplace or not-for-profit organisation. This practical experience is to be gained in an area that complements assessment activities and the immediate goals of the student.

4. Duration

The Diploma course would usually be completed within 8 months on a full-time basis. The model of training includes 2 face to face sessions a month plus on-line and self-paced study. Options of Saturday class available at 1 Saturday a month for 8 months.

5. Costs 2017

Academic Fees

Fees for full-time students of The Diploma of Business are:

Blended learning (face-to-face and on-line)	\$5000
---	--------

Note: The College reserves the right to alter fees prior to the start of each academic year.

Government Assistance

VET STUDENT LOANS is available to eligible students for this course.

6. Entry Requirements

This qualification has no pre-requisites however a typical pathway into the qualification would be one of the following:

- after achieving BSB40215 Certificate IV in Business or other relevant qualification/s
- after achieving the BSB51915 Diploma of Leadership and Management
- with vocational experience working in a management/team leader type role, but without formal qualifications

This qualification would appeal to a wide variety of clients. Examples are:

- Managers
- Coordinators
- Senior foreman
- Leading Hand
- Supervisors
- Team Leaders

General requirements for entry are:

- A completed student application form.
- Provide evidence of Language, literacy and numeracy (LLN) skills – either: a. Senior Secondary Certificate of Education awarded by an agency or authority of an Australian State or Territory for the student's completion of year 12, OR b. Competence in LLN at the Australian Core Skills Framework (ACSF) Exit Level 3, in both reading and numeracy.
- Students should have basic computing skills including the ability to use a word processing package at an elementary level and be able to access the internet.

7. Training Process

Unity College Australia uses a wide variety of training methods. Actual delivery modes and training and assessment materials are adapted as needed in order to meet the needs of a diverse range of students. This will be done in consultation with the trainer.

Unity College Australia adopts adult-learning principles, and all students are treated as adult learners. Participants in this program are therefore expected to take charge of their own learning process. It is expected that each selected participant will be committed to meeting the requirements of the relevant course and will attend relevant classes and activities and complete all work required for assessment.

It is expected that all program participants will have access to a computer. This is mandatory for successful course completion.

8. Course Competencies

Australia has a system of national standardisation of training for many industry areas. This system is implemented through the use of training packages (groups of courses) and individual units of competency within a course. This system enables students to get automatic recognition across all accredited government and private training organisations for relevant studies undertaken at any one of them.

COURSE OUTLINE
