1. **Aim**
The CUS20109 Certificate II in Music course, delivered in the context of the Creative Ministries Program, is designed to give people opportunity to develop foundational music skills and knowledge in the context of Christian ministry. Students who complete the program will gain a CUS20109 Certificate II in Music as well as selected units from the Certificate III in Christian Ministry and Theology qualification. The program will train individuals in basic musical skills along with strengthening their Christian faith. This program will provide a foundation for further musical study in a range of music genres.

2. **Outcomes**
Students who undertake this program can expect to achieve the following outcomes:

- Basic performance skills on an instrument and/or voice
- Ability to perform simple pieces in a band or vocal ensemble
- Fundamental knowledge of music theory
- Basic audio skills
- An understanding of basic aspects related to, and as preparation for, involvement in the music industry and music ministry

3. **Overview**
This course is delivered in a Christian context. The program for full-time students will involve:

- Classes and training in music practice, theory and the music industry
- Field experience in terms of involvement in a church or Christian ministry organisation
- Christian studies subjects which can be put towards a Certificate III/IV in Christian Ministry and Theology qualification

Part time students are able to undertake selected music subjects without the additional Christian-focussed subjects. They may achieve a Statement of Attainment for competencies achieved towards the Certificate II in Music.

A full-time student would normally undertake a study load of 6-7 subjects at any one time. Individual subjects may be delivered on a weekly basis, by intensives or by correspondence.

4. **Duration**
The Certificate II course would be normally completed over a period of 6 months if studied full-time, and depending on level of practical skill on entry to the course.

5. **Costs 2016**

7. Training Process
The program entails an average of 3-6 hours per week of class contact and rehearsal/private study time for each subject. Co-curricular requirements which include Christian studies and college community participation are additional.

Unity College Australia uses a wide variety of training methods. Training may be delivered through:
• lectures, presentations and demonstrations
• interactive discussions
• group participation
• individual tutorials
• master classes
• practical skills exercises
• distance education
• individual projects
• research into literature and other resources
• audio/visual presentations
• visits to local Christian ministry centres
• visits to artistic performances and exhibitions
• use of guest speakers
• role plays and simulations
• relevant vocational placement

Unity College Australia adopts adult-learning principles, and all students are treated as adult learners. Participants in this program are therefore expected to take charge of their own learning process. It is expected that each selected participant will be committed to meeting the requirements of the relevant course and will attend relevant classes and activities and complete all work required for assessment.

It is expected that all program participants will have access to a computer. This is mandatory for successful course completion.

8. Course Competencies

Australia has a system of national standardisation of training for many industry areas including Music. This system is implemented through the use of training packages (groups of courses) and individual units of competency. Students are able to get automatic recognition across all accredited government and private training organisations for relevant studies undertaken at any one of them.

All competencies studied in this program are nationally recognised competencies from the Music Training Package or the accredited Certificate III or IV in Christian Ministry and Theology.

Graduates will be issued with a statement of competencies achieved as part of their studies.

9. Course Structure

The Core, specialist and elective subjects and competencies usually included in the course, as implemented at the Canberra Campus, are listed below. Students are required to complete all the three core units of competency and five additional units (at least three specialist). The units marked * may only be used as electives and may be substituted with alternative elective units, in negotiation with the course coordinator. Not all elective subjects are offered every year.
