
1. AIMS

The 10435NAT Advanced Diploma of Christian Ministry and Theology course is designed to provide students with the ability to communicate the Gospel and serve the community, both in formal Christian ministry work and/or in the workplace. The course will train leaders in a range of Christian Ministry areas relevant to the local church, Christian organisation and/or the workplace.

2. OUTCOMES

This course will give students:

- A deepened understanding of the Bible and its application
- High level skills in theological reasoning and ethical decision-making
- Highly developed communication (especially in communicating biblical concepts) and people management skills
- Pastoral care, advanced leadership and ministry skills with a heart for God and people
- Practical opportunity for further development of specialised ministry skills

3. OVERVIEW

This qualification is fully competency based and while knowledge and some aspects of competency are assessed within the realms of each subject, completion of a ministry project demonstrating all areas of competency will need to be completed to graduate.

The student will obtain practical experience by undertaking field placements at their local church, with a Christian ministry or community service organisation. This practical experience is to be gained in an area that complements the assessment project and the immediate goals of the student.

A full-time student would normally undertake a study load of 5 subjects at any one time. Individual subjects may be delivered on a week by week basis or by intensives.

4. DURATION

The Advanced Diploma course can be commenced once the student has completed the core units of the Diploma of Christian Ministry and Theology course or gained equivalent Recognition of Prior Learning. This course would typically be completed over a one year period involving six months of formal studies and a six month field placement. Part-time study options are available.

College obligations, which include college community and Christian Community participation are additional hours and include retreats and Encounter sessions. In addition a substantial part of this course will be undertaken via a church or Christian ministry placement.

Unity College Australia used a wide variety of training methods appropriate the course context.

Unity College Australia adopts adult-learning principles, and all students are treated as adult learners. Therefore participants in this program are expected to take charge of their own learning process. It is expected that each selected participant will be committed to meeting the requirements of the course and will attend all relevant classes and activities including co-curricular activities, and complete all work required for assessment on time

It is expected that all program participants will have access to a computer. This is mandatory for successful course completion.

9. COURSE COMPETENCIES

Australia has a system of national standardisation of training for many industry areas. This system is implemented through the use of training packages (groups of courses) and individual units of competency within a course. This system enables students to get automatic recognition across all accredited government and private training organisations for relevant studies undertaken at any one of them. A number of elective competencies fall into this category.

There are no nationally recognised courses or competencies developed for Christian Ministry and Theology at this point in time. This course, however is common to more Christian Colleges than any other accredited course in Australia and as such relevant units would have automatic recognition. The 6 core units of competency fall into this category.

The following core competencies are achieved through completion of the core units from the Advanced Diploma of Christian Ministry and Theology.

National Code	Competency
CMTTHE601A	Analyse and critique religious traditions in the light of current thinking
